◆ ABOUT ME

A driven individual pursuing a degree in Information Technology with a strong passion for cybersecurity. Actively studying the field while starting a career as a full-stack web developer. Participates in Capture the Flag (CTF) competitions, achieving notable rankings in events like Hack4Gov and TrendMicro University CTF. Also a dedicated student leader, consistently recognized as a President's Lister in college.

Technical Skills:

- **Operating Systems:** Proficient in Windows and Linux environments, with hands-on experience in system administration and troubleshooting.
- **Productivity Software:** Skilled in Microsoft Office Suite and Google Workspace, enabling efficient document creation, data analysis, and collaboration.
- **Programming Languages:**
  - **Web Development**: HTML, CSS, JavaScript, AngularJS, PHP (Laravel)
  - **General Programming**: C, C#, Java
  - **Database Management**: MySQL
- **Cybersecurity Tools**: Familiar with a range of cybersecurity tools and software, including [specific tools if applicable, e.g., Wireshark, Metasploit, etc.], enhancing my ability to identify and mitigate security threats.
- **Cybersecurity Knowledge**: Basic understanding of cybersecurity concepts, including network security, threat analysis, and risk management, with ongoing studies to deepen expertise.

Soft Skills:

- **Analytical Thinking**: Ability to assess complex problems and develop data-driven solutions.
- **Systematic Work Approach**: Methodical in organizing tasks for efficiency and thoroughness.
- **Creativity & Innovation**: Generates original ideas and contributes to innovative solutions.
- **Critical Thinking**: Evaluates information for sound decision-making and problem-solving.
- **Pressure Management:** Maintains composure and productivity in high-pressure situations.
- **Adaptability**: Flexible and open to change, quickly adjusting to new challenges.
- **Effective Communication**: Strong verbal and written skills for clear information exchange.
- **Negotiation Skills**: Competent in negotiating terms for collaborative outcomes.
- **Languages**: Proficient in English and Tagalog.
